EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Abstract, in line 9, change the word "means" to --a device--.

2. The following changes to the drawings have been approved by the examiner: Figure 1 should be labeled "Prior Art". In order to avoid abandonment of the application, applicant must make these above drawing changes.

3. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims is the inclusion of the limitations directed to the main jack controlling the first and second openings and the balancing jack facilitating a manually-operated opening of the hood in the forward direction and a manually operated closing of the hood in the opposite direction. Such limitations, in combination with the rest of the limitations of the independent claims, are not disclosed or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
